

WEEK 4 ASSIGNMENT

Submission Deadline: Kindly upload your Excel sheet to your dashboard on or before Thursday, May 22nd, 2025.

Title: Risk Identification & Assessment

Objective:

This assignment requires you to assess and analyze potential risk scenarios, determine their severity levels, and outline appropriate mitigation strategies.

Instructions:

1. Research and identify ten (10) significant cyber risks related to the MCAS case study.
2. For each risk, fill in the details in the Risk Register template you've been provided with.

Formatting Guidelines:

- The submission must be structured in an Excel spreadsheet.
- Ensure clarity and conciseness in risk descriptions and mitigation strategies.
- Use formal language and a logical format for easy readability.
- Rename the document with your full name (e.g Shatta Wale.Pdf) also put your name in the first page of the assignment.

Evaluation Criteria:

Your submission will be assessed based on the following:

- Comprehensiveness and accuracy of risk analysis (40%)
- Clarity and organization of the risk register (30%)
- Effectiveness of proposed mitigation strategies (30%)

Note: Late submissions will incur a penalty and will be graded at 50% of the total score.

If you have any questions, reach out to chikodiliu@hacktales.com.ng before the deadline.
